October 11-15, 2010**

Travel with Eddie McClelland, President of Florida Baptist Foundation on retreat this fall to the beautiful mountains at Ridgecrest NC. Ridgecrest is managed by Lifeway, and for over 100 years has been an integral ministry of Southern Baptist life.

For years Ridgecrest has been such a beautiful place to visit and experience God's blessings. About two years ago, the new Mountain Laurel lodging facility opened and it is absolutely beautiful. Our Foundation Friends have truly enjoyed our visits.

As I visit many of the churches in our State, many of you have asked us to get a group of friends together so we can travel together both economically and safely—plus enjoy this wonderful time and experience with friends.

We will host a trip this **Oct 11-15, 2010** to visit Ridgecrest, Biltmore House and the Billy Graham Library in Charlotte. This is a must visit for everyone! You will have a great time with our friends.
